PROFILE

About me

Professional transitioning into the tech sector with a solid background in health sciences. I combine my training as a Nutritionist (UPV/EHU) and 10 years of experience in clinical care, international cooperation and commercial management with current studies in Network Systems Administration (ASIR, BirtLH) and Full Stack Web Development (The Bridge, Bilbao). I bring analytical thinking, adaptability and a multidisciplinary perspective to tech teams.

CAREER

Experience

Feb 2026 – Present

Full Stack Web Developer (Bootcamp)

The Bridge · Bilbao

- React, Node.js, Express, PostgreSQL, MongoDB, Docker, JWT, TypeScript, Git
